

Respite Care Provider Direct Support Professional (DSP)

Do you like to go to the park, play board games or sing Karaoke? Do you like to participate in community functions? **Tammy Lynn Center** is looking for awesome people to do just that and so much more with our clients! Read On!

Singing Karaoke, playing board games, and making craft projects are just a few of the activities we share with our clients. Every person needs the support of others, but we look for very special people to support individuals with disabilities. As a **Direct Support Professional (DSP)** with **Tammy Lynn Center**, you'll be one of those special people.

DSPs are the link to the community for those they serve. For some, they may be the eyes of those unable to see, or the voice for those who can't speak. For others, they are friend, cheerleader and subtle support on the path to one's true potential.

For **Tammy Lynn Center** the DSP is one of the most exemplary reflections of the wonderful mission driven work we do here every day. The people that carry out this rewarding, care giving support play an integral and crucial role in the quality of life for our residents.

Whether you have previous experience in this capacity or this just sounds like the type of career path you would like to pursue...we want to hear from you!

Tammy Lynn Center is seeking Direct Support Professionals/Respite Care Providers to provide assistance to individuals with disabilities in a home-based setting. DSPs provide assistance with personal care to individuals in the community, habilitative/rehabilitative/leisure activities, and medication administration. In addition, DSPs support therapeutic and behavioral plans in partnership with clinical staff to enhance the quality of life for those we support. Must be at least 18 years of age and provide your own transportation to and from the location of the person served.

We look forward to hearing from you! For more information, please go to the Employment tab on our website at www.tammylynncenter.org or call Robin Mathes, HR Assistant at (919) 755-2665.

As of June 19, 2018, Tammy Lynn Center will use the Talintel Survey as a pre-screening tool for all Direct Support Professional (DSP) positions. Thank you for applying for a DSP position with Tammy Lynn Center. We are proud of our team of professionals that support individuals with disabilities. Please answer our survey at the link below with your first instinct to get the best score for you. On average, applicants will complete the survey in 20 – 30 minutes. You may only apply for the DSP position once.
