

Employment Opportunity 3rd Shift Team Lead Nurse

Brief Description of Work Performed:

We are looking for a full time Team Lead to ensure the quality of client health services. Assist in ensuring that all health care policies, procedures and services are executed thoroughly and with a high degree of quality, including, but not limited to: medication administration, treatment procedures, daily evaluation of health care needs of clients, and maintenance of a safe and clean work environment. Assist in ensuring that appropriate services are provided for clients, i.e., medical, dental, pharmacy, laboratory and restorative services. Provide nursing and medical consultation for clients. Plan for adequate nursing coverage and participate in coverage as needed. Participate in on-call system to ensure availability of administrative consultation to nurses on 24-hour basis. Assist in ensuring comprehensive and accurate record keeping to comply with all applicable local, state and federal laws and regulations. Ensure that an accurate inventory is kept of supplies and order needed supplies in timely, accurate manner. Participate in orientation and ongoing training needs of staff.

Minimum Education and Requirements:

Nursing Degree from an accredited school of nursing and at least 3 years of nursing experience including one year of supervisory experience preferred. A current validated license to practice in North Carolina is a must. Preference will be given to applicants with ICF/IDD experience, nursing experience with medically fragile population and severe to profound intellectually disabled children and adults and the ability to effectively supervise other nurses. Valid North Carolina driver's license required. Successful criminal background checks and drug screening required.

Pay Rate: DoE - We offer excellent benefits: Medical, Dental, STD/LTD, PTO, paid holidays, and a 403b retirement plan.

Hours/Days of Work: 3rd Shift, 11pm-7am, 32-40 hours per week; non-exempt hourly position; must be able to flex schedule/days to meet agency needs
